### **OUR CRITERIA FOR TENANT SELECTION:**

#### **CREDIT REQUIREMENTS:**

Your credit screening will be completed by our 3<sup>rd</sup> party vendor On-Site. We recommend that if you have a "freeze" currently placed on your credit, you have it "lifted" prior to your screening. If your application is not approved, you are entitled to contact the provider of the report to discuss. They may be contacted at:

#### **On-Site**

307 Orchard City Drive | Ste 110 | Campbell, CA 95008  
Renter Relations: (877) 222-0384 | [www.on-site.com](http://www.on-site.com)

We require a positive credit history with:

- No more than 20% of derogatory accounts
- No more than \$500 worth of accounts in collection
- No non-discharged bankruptcies
- No money owing to a previous landlord
- No unlawful detainer action or eviction history
- At least 1 active account being rated to establish history
- First time renters, with no established credit or rental history, may require a Guarantor

#### **LANDLORD REFERENCES:**

Each applicant must be able to demonstrate a pattern of meeting rental obligations, leaving prior rental properties in good condition and not having a pattern of complaints from neighbors. Applicants can have no prior evictions, and must have verifiable references for positive rental or mortgage history over the last 36 months. **Please note that you must provide contact information for the previous landlord and they must take or return calls made to them from On-Site within 48 hours of initiation of screening or we may move on to the next application.**

**CRIMINAL HISTORY:**

History of criminal activity on the part of any proposed occupant which presents a danger to persons or property or the peace and enjoyment of other residents or members of the community could negatively impact your application. When evaluating any past criminal convictions (if allowable), we consider the nature (whether it indicates a potential risk to person or property or shows incident(s) of identity theft) and severity of the crime and the amount of time that has passed since the criminal conduct occurred. If you have any mitigating factors you wish us to consider, please bring them to our attention. Individual assessments may be performed and additional charges to the applicant may apply. The criminal history portion of your screening will be conducted in accordance, if allowable, with the current legal requirements of the jurisdiction in which the property you are applying for is located.

**ANIMALS ON THE PROPERTY:**

If you intend to have a pet on the property you must obtain permission in advance. All pets must be properly licensed and you may be asked to provide a record of current immunizations. Service/Companion animals are defined as an animal that provides necessary medical support for the benefit of an individual with a disability. In this case, we will require written documentation of the animal's status as a service/companion animal in order for your application to be considered complete.

**GUARANTORS:**

If you do not meet one or more of the above criteria, you may be able to qualify for a rental unit if you have a third party that will guarantee your lease. The guarantor must fill out an application, pass the screening process and have income equal to five times the monthly rent as well as good credit history. In the case of a guarantor, an application will not be considered fully complete and received until their information is submitted to our office or directly to the property manager.

**FALSE INFORMATION:**

If at any time the applicant provides false information or a gross distortion of the truth on their rental application, it will result in an automatic denial. Such falsified information may affect legitimacy of tenancy if discovered in the future.

**COMPETING OFFERS:**

Please be aware that in a competitive rental market, it is possible that you may encounter a multiple offer situation where parties may be competing with one another. Where allowable, the terms of your offer such as start date, lease duration, etc., may be weighed against competing offers. Please inquire with the listing agent for details about any of these elements that may strengthen your application.

**LEASE & MOVE-IN**

Once your screening has been completed and approval received, a lease will be sent to you for review either by email for eSignature or you will meet with your property manager in person to review and sign. Once the lease has been provided to you, you will have 48 hours to sign and return to our office along with the following:

1. Certified funds (cashier's check or money order) equal to first full month's rent payable to WPMLGA
2. For full management accounts where we will be your main contact throughout the tenancy, you will be given instructions on the various ways that you can pay rent beyond the first month of your lease.

The lease and first full month's rent payment can be delivered to any of our three office locations. Business hours are Monday through Friday 8:30am – 5:00pm. We are closed in observance of all major holidays. Each office has a secure drop box for document delivery if you visit during non-business hours. Drop box deliveries will be time-stamped as received on the next business day that the office is staffed. If you need to deliver checks after hours, please contact your property manager as most of our locations have drop boxes. Use of the drop boxes, rather than personal delivery and receipt, is at your sole risk of loss.

After your lease has been signed, your property manager will provide you with a copy of the document for your records. As the move-in date approaches, they will be in touch with you to schedule your move-in walk through. Please note that the appointment will most likely be set on a weekday during normal business hours. At this appointment, the property manager will:

1. Complete, review and have you sign a move-in condition report which outlines the current condition of the property on move-in day. Please note that photos will be taken and we will provide you with a copy of the move-in report.
2. Collect the security deposit which must be certified funds (cashier's check or money order) payable either to WPMLGA or your new landlord.
3. Hand over keys, fobs, garage openers, etc.

**Please note: We are not able to hand over keys if we do not receive a certified funds security deposit in exchange for the move-in condition report. Please plan ahead to ensure you have certified funds available.**

If you are not able to be present for the move-in walk through you will need to assign a personal representative that will be approving the condition in your absence, and assign specific/limited Power of Attorney appointing the named representative to sign the inspection form as your authorized agent. A copy of the personal representative's ID will be copied and retained on file. We are not responsible for damage incurred after the personal representative has signed the move-in condition report.

Once keys are handed over to you, you are welcome to move your personal possessions in anytime thereafter, subject to any applicable HOA restrictions. In the case of a condominium/apartment building, you may be required to make a second appointment directly with the concierge/building manager for a building orientation, to reserve an elevator, to understand moving truck procedures, etc. Please understand that we are not able to allow personal belongings (i.e., furniture) into the home prior to the move-in walk through.
